| <p><b>Description:</b> On Audi vehicles with 3.0L TFSI engine manufactured within a specific period, the diagnostic thresholds for the catalytic converters were programmed too tightly in the engine control unit. As a result, the engine warning lamp may light up even though the catalytic converters are working properly.</p> <p><b>Remedy:</b> Update the ECM software via SVM.</p>   |        |   |  |
| 05/16/2018  |        | Florida Motor Vehicle Dept.<br>Naples, FL<br>Title #0118499171            | Registration issued or renewed<br>Vehicle color noted as Black   |

| <p><b>Description:</b> The Passenger Occupant Detection System (PODS) can malfunction due to stress/wear factors affecting an internal connector or contact resistance increase at body-sensing mat in the seat. Should a malfunction occur, vehicle occupants will be alerted of a PODS problem by illumination of the airbag monitoring light and by the status of the Passenger Airbag OFF indicator light. In this situation, a front passenger seat occupant risks injury in a crash because a malfunctioning PODS may not make the correct airbag deployment decision for the type of occupant seated there.</p> <p><b>Remedy:</b> Audi dealers will install a PODS repair kit.</p> |        |   |  |

Glossary
View Full Glossary

**First Owner**  
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

**Manufacturer Recall**  
Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

**Ownership History**  
CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

**Title Issued**  
A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
