Find an authorized BMW dealer , email CustomerRelations@bmwusa.com , or call 1-800-525-7417 - Learn more about this recall

Description: The rearview camera display may not fully conform to a Federal requirement. If the brightness is set at/near its lowest setting, and the contrast is set at/near its highest setting then, at the "next backing event", the display may not meet a Federal requirement.

At the "next backing event", if a vehicle operator relied on the displayed image, with brightness set at/near its lowest setting, and contrast set at/near its highest setting, then in certain lighting conditions, this could affect the visibility of

certain object behind the vehicle.. However, vehicles are equipped with a Park Distance Control (PDC) system which alerts vehicle operators, both audibly and visually, to objects behind a vehicle.

Remedy: The rearview camera software will be updated to reduce the brightness and contrast adjustment range.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
