11/19/2021		BMW of North America, LLC		Manufacturer Safety recall issued - NHTSA #21V-907 - Recall #21V-907:404 - EXHAUST GAS RECIRCULATION (EGR) COOLER - Status: Remedy Not Available - Need more information about this recall? Find an authorized BMW dealer , email CustomerRelations@bmwusa.com , or call 1-800-525-7417 - Learn more about this recall
<p>Description: The issue involves the Exhaust Gas Recirculation (EGR) system which contains an integrated cooling component ("Cooler"). Over time, a leak of cooling fluid (glycol), could develop in the EGR Cooler.</p> <p>If cooling fluid leaks in the EGR Cooler, and combines with typical diesel engine soot deposits while the temperature is high (which is normal), this could create smoldering particles. In very rare cases, these particles could contact the engine intake manifold and cause damage by creating small holes in the manifold due to melting. In extremely rare cases, due to the holes in the manifold, this could increase the risk of a fire.</p> <p>Remedy: The EGR Cooler will be replaced. If it is determined that the EGR Cooler has leaked, the engine intake manifold will also be replaced.</p>

 **Vehicle serviced**
- Pre-delivery inspection completed
- Vehicle washed/detailed

Looks like this dealer serviced the car in order to prepare it for sale. That's a good thing!

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
